

A Day to Remember

In July, the children of Bowers-Rodgers and McCormick Children's Home had just that. This wonderful program run by Kristi Overton Johnson invites children who have not had the opportunity to experience water sports, out for a day of fun and adventure. Kristi founded A Day to Remember which is a facet of In His Wakes. This program introduces Jesus Christ to individuals through the use of water sports.

The children enjoyed a full day of tubing, jet skiing, boating and skiing on Rodgers's ski lake. For most, this was the first time in a boat let alone skiing or tubing. Jeff, Melinda, and Austin provided excellent hospitality and facilities for this fun filled day. With great support from Alan & Todd Baker, William Barnette, Buddy Snelling, Coti Hudgens, Rich, Ty, Reta & Patti Christian, Dean Collins, and to Aaron Bishop of Chic-Fil-A of Greenwood who treated everyone to a great lunch. It was very fulfilling to watch and experience the joy these kids had.
