

## **Gunnells Marine Is Awaiting Santa's Visit**

It's a tough job to do,  
But Santa is the man.  
With a little help from Gunnells Marine,  
A boater's Christmas is in the Plan.  
For Fun behind the boat,  
Little Bobby needs a tube.  
And for his older brother Tommy,  
A new CWB wakeboard makes him a boarder dude.  
Baby sister, Suzie needs a child's vest,  
So she can float in the water like all the rest.  
Mom wants a new F1 Slalom ski,  
So she can run the course.  
But dad wants the biggest gift of all,  
A new boat powered with a Mercury.  
With all this done, Santa's ready to get underway.  
However, the reindeer are gone  
And there is an outboard on Santa's sleigh.

**Merry Christmas to All from Gunnells Marine.**
