

Maintenance Reminders

Here are a few reminders when regular maintenance should be done.

Gear Lube: Yearly

Prop Repair: As Soon As Damaged

Steering Cable: Lube Yearly

Trailer Bearings: Grease Yearly

Transmission Fluid (if applicable): Yearly

Tune Up: 2 Years

Water Pump: Yearly if needed, but every 2 years for sure.

Winterization: Yearly Prior to First Freeze

Clean Inside and Out: On a Regular Basis

Do Not Use Auto Products

Use Spray Away, Mildew Remover, On/Off Hull Cleaner by Mary Kate

Condition upholstery with Meguiars Vinyl Conditioner or 303 Products.

Use only manufacturers' brand of oil like, Mercury, Yamaha.

These regular maintenance routines will help keep your investment in top condition.

Cover your boat. If no cover, contact at **864-223-2275 Gunnells Marine** with your boat brand, model, and year to purchase a cover.
